ONBOARDING

Live in two weeks, not two terms.

1

Book a demo

A 30-minute walkthrough tailored to your school's size and structure.

2

We migrate your data

Our team imports students, staff and fee records from spreadsheets or your old system.

3

Train & go live

Role-wise training for admins and teachers. Most schools are live in two weeks.

SECURITY & RELIABILITY

Student data deserves bank-grade care.

Built multi-tenant from day one, with encryption in transit and at rest, and 99.9% uptime.

Isolated tenants

Each school's data is logically separated with its own subdomain and access rules.

Role-based access

Granular permissions for owners, admins, teachers, accountants and parents.

Daily backups

Encrypted, automated backups with point-in-time recovery.

Audit trails

Every change to marks, fees and records is logged and traceable.

PRICING

Simple pricing that grows with you.

Billed monthly per school. No setup fees on annual plans.
